WHEREAS, under section 53.31.1 of the Environment Quality Act (chapter Q-2), the persons referred to in subparagraph 6 of the first paragraph of section 53.30 of the Act are required, to the extent and on the conditions set out in subdivision 4.1 of Division VII of Chapter IV of the Act, to compensate the municipalities and the Native communities, represented by their band councils, for the services provided by the municipalities or communities to ensure that the materials designated by the Government under section 53.31.2 of the Act are recovered and reclaimed;

WHEREAS, under the first paragraph of section 53.31.12.1 of the Act, if, by regulation, the Government subjects newspapers to the compensation regime provided for in Division VII of Chapter IV of the Act, it may determine on what conditions the amount of the annual compensation owed to the municipalities that is allotted to that class of materials may be paid in whole or in part through a contribution in goods or services, and prescribe the characteristics newspapers must possess to benefit from that mode of payment;

WHEREAS RecycleMédias is a body certified by RECYC-QUÉBEC for the "newspapers" class to represent the persons subject to an obligation of compensation under subdivision 4.1 of Division VII of Chapter IV of the Act;

WHEREAS, under the first paragraph of section 53.31.12 of the Act, a certified body must remit to RECYC-QUÉBEC, in trust, the amount of the compensation owed to the municipalities;

WHEREAS, under the first paragraph of section 53.31.13 of the Act, a certified body may collect from its members and from persons who, without being members, carry on activities similar to those carried on by the members where the designated materials or classes of materials are concerned, the contributions necessary to remit the full amount of compensation, including any interest or other applicable penalties, and to indemnify the body for its management costs and other expenses incidental to the compensation regime;

WHEREAS, under the first paragraph of section 53.31.14 of the Act, the contributions payable must be established on the basis of a schedule of contributions that has been the subject of a special consultation of the persons concerned;

WHEREAS RecycleMédias conducted such a special consultation before determining the schedule of contributions applicable for 2018 for the “newspapers” class;

WHEREAS, under the third paragraph of section 53.31.14 of the Act, the schedule of contributions may provide for exemptions or exclusions and specify the terms according to which the contributions are to be paid to the certified body;

WHEREAS, under the fifth paragraph of section 53.31.14 of the Act, the schedule of contributions must be submitted to the Government, which may approve it with or without modification;

WHEREAS, under section 8.9 of the Regulation respecting compensation for municipal services provided to recover and reclaim residual materials (chapter Q-2, r. 10), the amount of the annual compensation owed to the municipalities that is allotted to the “newspapers” class may not exceed \$10,696,900 for the year 2018;

WHEREAS sections 8.12 and 8.12.1 of the Regulation provide that such compensation may be paid, in whole or in part, through a contribution in goods or services provided the certified body proposed a schedule of contributions to RECYC-QUÉBEC, in accordance with sections 53.31.14 and 53.31.15 of the Environment Quality Act, determining the contributions payable and the manner in which payment may be made, without exceeding \$3,800,000 for the year 2018;

WHEREAS, under the second paragraph of section 53.31.15 of the Environment Quality Act, RECYC-QUÉBEC must give its opinion to the Government on the proposed schedule of contributions;

WHEREAS RECYC-QUÉBEC has given a favourable opinion on the 2018 schedule of contributions established by RecycleMédias for the “newspapers” class;

WHEREAS, under Order in Council 135-2007 dated 14 February 2007, the Regulations Act (chapter R-18.1) does not apply to the proposed schedules or schedules of contributions established under section 53.31.14 of the Environment Quality Act;

WHEREAS it is expedient to approve the schedule of contributions with amendments;

IT IS ORDERED, therefore, on the recommendation of the Minister of Sustainable Development, the Environment and the Fight Against Climate Change:

2. Interpretation

2.1. Explanatory notice

2.1.1. RecycleMédias may publish an explanatory notice or interpretation guide on its website at www.recyclemedias.com to explain its interpretation of the Schedule and how it will be administered.

2.2. Continuance of the Schedule

2.2.1. If any provision of the Schedule is deemed invalid or unenforceable by a competent court or for any other reason, it shall not affect the validity of the other provisions of the Schedule, which shall be interpreted as if the invalid provision were omitted.

3. Designation of prescribed persons

3.1. Prescribed persons

3.1.1. Only the person who is the owner of the brand, name or distinguishing guise that identifies a material subject to contributions under the Schedule shall be required to pay a contribution with regard to that material.

3.1.2. However, if the owner has neither a domicile nor an establishment in Québec, payment of contributions may be required of the first supplier in Québec, whether or not it is the importer of that material.

3.1.3. Any person who marketed materials during 2017 remains fully responsible for such materials, and shall pay, according to the terms provided in the Schedule, any contribution and other amounts provided under the Schedule in respect of these materials, notwithstanding the fact that at the time the Schedule came into force or thereafter (i) the person is no longer the owner of the brand, name or distinguishing guise that identifies a material subject to contributions under the Schedule, or (ii) the person no longer markets materials, or (iii) the person no longer is the first supplier of this material in Quebec. Such a person is considered to be a prescribed person for the purposes of the Schedule.

3.2. Exempted persons

- 3.2.1. Prescribed persons who demonstrate to RecycleMédias that the contributions prescribed in Chapters 5 and 6 of the Schedule have been paid in full, on their behalf, by a third party recognized by RecycleMédias as a voluntary contributor under section 3.3, are exempted from those contributions.
- 3.2.2. In order to promote freedom of the press and lighten the administrative burden of RecycleMédias, prescribed persons who own the brand, name or distinguishing guise which identifies a material subject to contributions pursuant to the Schedule and who, in 2017, marketed materials weighing less than a total of fifteen (15) metric tons, are also exempted from the contributions prescribed in Chapters 5 and 6 of the Schedule.

3.3. Voluntary contributor

- 3.3.1. A third party whose domicile or establishment is outside of Québec, and who is the owner of a brand, name or distinguishing guise, may be accepted by RecycleMédias as a voluntary contributor, notably if the person satisfies the conditions stipulated below.
- 3.3.2. A voluntary contributor may only act to fulfill the obligations that, under the Schedule, would be the responsibility of the first supplier of materials identified by a brand, name or distinguishing guise that is owned by the voluntary contributor. The latter may not act to fulfill the obligations of persons prescribed under section 3.1.1.
- 3.3.3. A third party may be recognized as a voluntary contributor if it concludes an agreement to that effect with RecycleMédias, which agreement shall include the following provisions:

that it agrees to fulfill the obligations related to contribution in ad placements under the Schedule;

that it agrees to pay the cash contribution under the Schedule;

that it agrees to produce the reports required in Chapter 7 of the Schedule, under the terms set out in that Chapter;

that it agrees to the foregoing with regard to all of its first suppliers in Québec;

that it agrees to respect the laws of Québec, and accepts that any legal proceedings will take place in Québec, under the laws of Québec.

A third party recognized as a voluntary contributor thus becomes a prescribed person with respect to both cash contribution and contribution in ad placements.

placements of such prescribed person shall be converted into an additional cash contribution. The payment rules established for the cash contribution in chapter 6 of the Schedule shall apply to such additional cash contribution, subject to the necessary adjustments.

5. Contribution in ad placements

5.1. Determination of contribution in ad placements

5.1.1. For 2018, the contribution in ad placements by a prescribed person corresponds to the quantity of materials marketed by that person in 2017 multiplied by the applicable rate, i.e. \$67.68 per metric ton.

5.2. Foreign publication

5.2.1. For newspapers qualified as foreign publications, the contribution in ad placements is converted into cash contribution that is additional to that provided in Chapter 6. This additional cash contribution is paid to Recyc-Québec as partial payment of compensation due to municipalities under the Regulation by prescribed persons in the “newspaper” class.

5.2.2. The payment rules for cash contributions set out in Chapter 6 of the Schedule also apply, with the necessary modifications, to the additional cash contribution.

5.3. Terms and conditions

5.3.1. Ad placements for a maximum value corresponding to the amount of each prescribed person’s contribution in ad placements will be requested from such prescribed person by no later than February 28, 2019 for publication by no later than September 30, 2019 in respect of contributions in ad placements for 2018.

5.3.2. To determine the value of each ad placement and the terms and conditions under which it is provided, the customary government rate card (or national rate card) of the prescribed person (or member of the person’s corporate group, as the case may be) shall be applied. Furthermore, in order to avoid that part of its contribution in ad placements be converted into an additional cash contribution as provided under section 5.4 of the Schedule, a prescribed person may choose to make a contribution in ad placements for a value higher than the required value. In such case, the prescribed person will not be entitled to any credit for the additional value thus contributed.

- 5.3.3. It is agreed that it is up to Recyc-Québec or its advertising agency to ensure that any advertising campaign delivered complies with the rate cards and the other standard terms and conditions of each prescribed person, including the deadlines. RecycleMédias will then require the contributions in ad placements from the prescribed persons in accordance with the terms, conditions and specifications provided by Recyc-Québec or its advertising agency.
- 5.3.4. For the purpose of making its contribution in ad placements, each prescribed person must collaborate with RecycleMédias, Recyc-Québec and any advertising agency retained by Recyc-Québec. Recyc-Québec and any advertising agency it retains must provide RecycleMédias with the information required for RecycleMédias to ensure that the contributions in ad placements payable pursuant to the Schedule are made according to the terms of the Schedule, including by providing RecycleMédias, by no later than October 31, 2019, with a detailed report indicating, for each prescribed person required to make a contribution in ad placements, the total value of the contribution in ad placements made by such person as of September 30, 2019 and, where applicable, any failure by a prescribed person to provide the full value of its contribution in ad placements required for 2018.
- 5.3.5. In the event that the report submitted to RecycleMédias under section 5.3.4 indicates a default by one or more prescribed persons, such persons must be informed thereof by RecycleMédias within thirty (30) days following its receipt of the report and such prescribed persons shall then have the opportunity to remedy the default by making the necessary ad placements to remedy the default by no later than December 31, 2019.
- 5.3.6. Overall, the contributions in ad placements provided by the prescribed persons under this Schedule shall enable the dissemination of information, awareness and educational messages on environmental matters and favour messages intended to promote the recovery and reclamation of residual materials in all the regions of the province of Quebec, based on a distribution (in quantity of materials and as indicated in section 5.1.1 of this Schedule) which is similar to the distribution of the population over the territory of Quebec.
- 5.3.7. Cities do not have individual access to advertising spaces, since the compensation in goods and services under the program is managed on a province-wide basis.
- 5.3.8. The distribution of the contributions in ad placements is proportional to the quantity of materials marketed by the prescribed persons per territory. No later than the one hundred and twentieth (120th) day after the Schedule comes into force, RecycleMédias shall submit to Recyc-Québec a notice of the amount of the contribution in ad placements for each prescribed person, as well as a list of the newspapers and digital products controlled by each prescribed person.

5.3.9. Recyc-Québec establishes an Implementation Committee for the compensation regime for the selective collection, coordinates its activities and accompanies its members in discussions regarding the criteria for distribution to municipalities, and regarding the application of such regime.

5.4. Conversion into additional cash contribution

5.4.1. A prescribed person who has not fulfilled the contribution in ad placements, in whole or in part, by the date set in this Schedule and who, after receiving a proper request therefor, fails to remedy its default by no later than December 31, 2019, as provided in section 5.3.5, will be liable to pay an additional cash contribution in an amount equal to the value of the contribution in ad placements payable, or the balance thereof, as applicable.

5.4.2. The payment rules for the cash contribution set out Chapter 6 also apply, with the necessary modifications, to the additional cash contribution.

6. Cash contribution

6.1. Determination of cash contribution

6.1.1. For 2018, the cash contribution by a prescribed person corresponds to the quantity of materials marketed by that person in 2017 multiplied by the applicable rate, i.e. \$122.75 per metric ton.

6.2. Date, place and form of payment

6.2.1. The cash contribution must be paid to RecycleMédias within ninety (90) days after the invoice is received. Unless otherwise decided by RecycleMédias, payment must be in full, in a single instalment.

6.2.2. RecycleMédias may specify a different deadline for payment of the cash contribution.

6.3. Penalties, interest and recovery

6.3.1. Cash contributions that are due and unpaid to RecycleMédias bear interest as set out in section 53.31.16 of the Act, i.e. at the rate determined under the first paragraph of section 28 of the *Tax Administration Act*, R.S.Q., chapter A-6.002. Such interest will be calculated daily on the unpaid amount of the cash contribution, starting from the date when the cash contribution became due and ending on the date of payment, at the rate mentioned above. Any change to that rate automatically changes the interest rate applying under the present section.

- 6.3.2. In addition to the interest applied under section 6.3.1, a prescribed person who has not paid the cash contribution within two hundred and ten (210) days after receipt of the invoice in respect of the contribution for 2018, will be liable to a penalty equal to 10% of the cash contributions owing.
 - 6.3.3. Pursuant to section 53.31.16 of the Act, when RecycleMédias exercises a remedy to claim a sum that it is owed, a penalty equal to 20% of the amount of the cash contribution will be applied.
 - 6.4. Form of payment
 - 6.4.1. Payment of cash contributions under Chapter 6 of the Schedule must be made in the legal tender of Canada.
7. Registration and reporting by prescribed persons
 - 7.1. Registration of prescribed persons
 - 7.1.1. Any prescribed person (including a prescribed person exempted from contributions under section 3.2.2 of the Schedule) must register with RecycleMédias by sending it the information specified in Appendix A of the Schedule by no later than the thirtieth (30th) day after the prescribed person becomes subject to the Schedule.
 - 7.2. Reporting of materials
 - 7.2.1. Any prescribed person (including a prescribed person exempted from contributions under section 3.2.2 of the Schedule) must produce a report on the materials marketed by sending to RecycleMédias the information specified in Appendix B of the Schedule, notably:
 - a) A list of the brands, names and distinguishing guises covered by the materials report;
 - b) A list and description of any excluded materials that were omitted from the materials report;
 - c) A statement certifying that the content of the materials report is true and accurate;
 - d) A list of digital products that the prescribed person has and offers throughout 2018.
 - 7.2.2. Prescribed persons must submit their materials report for 2018 by the latest of the following dates, either March 31, 2019 or the fifteenth (15th) day following the date on which the Schedule comes into force.

7.3. Changes and amendments

7.3.1. Any change in the content of documents submitted by a prescribed person, including any change to the information provided pursuant to Appendice A, must be reported in a modification notice sent to RecycleMédias within thirty (30) days after the change occurs.

7.4. Transmission medium and format

7.4.1. Documents and modification notices must be transmitted to RecycleMédias using digital media. They must be submitted using the forms provided on the website of RecycleMédias, using the procedure described on the site.

7.5. Billing

7.5.1. RecycleMédias sends each prescribed person a statement of the contribution owing in ad placements and an invoice for the cash contribution owing (and additional cash contribution if any).

7.5.2. If a person fails to register under section 7.1 of the Schedule, or fails to send to RecycleMédias a materials report required under section 7.2 of the Schedule, the amounts of the contribution in ad placements, the cash contribution and the additional cash contribution, if any, will then be determined and billed based on an estimate by RecycleMédias.

7.6. Verification of reports

7.6.1. Besides the information and documents that must be produced for the purposes of Appendice B of the Schedule, RecycleMédias reserves the right to ask for additional information, such as tables of data, audit reports, or any other information used in preparing the reports.

7.6.2. RecycleMédias may review the materials report and require that corrections be made by the prescribed person. RecycleMédias may also choose to make the necessary corrections itself, after notifying the prescribed person. Following such corrections, the prescribed person will be sent a revised statement adjusting the contribution in ad placements and a revised invoice adjusting the cash contribution and, where applicable, the additional cash contribution.

7.6.3. A prescribed person that has not followed through on an adjusted contribution in ad placements, in whole or in part, or that has not concluded an agreement with RecycleMédias within sixty (60) days after the revised statement was issued, will be liable to a penalty, payable in cash, of an amount corresponding to the value of the unpaid contributions in ad placements.

The payment rules for the cash contribution set out in Chapter 6 of the Schedule also apply, with the necessary modifications, to such penalties. In the case of a credit, RecycleMédias will apply the value of the credit to the next statement.

- 7.6.4. An adjustment made to the cash contribution must be paid in full, in a single instalment, to RecycleMédias within thirty (30) days after the revised invoice is issued. In the case of a credit, RecycleMédias will apply the value of the credit to the next invoice.

The payment rules for the cash contribution set out in Chapter 6 of the Schedule also apply, with the necessary modifications, to such adjustments.

8. Conservation of files

8.1. Conservation of files

- 8.1.1. A prescribed person must conserve all documents and other media used in preparing reports and all proofs of publication pertaining to its contributions in ad placements for a period of five (5) years after the reports were transmitted or from the date of publication, as the case may be. Such information must be made available for consultation and copying by RecycleMédias, during normal business hours, following prior notice to that effect by RecycleMédias.

8.2. Confidentiality

- 8.2.1. During the period in which RecycleMédias conserves information it has received in connection with the compensation regime, RecycleMédias is bound to take appropriate measures to ensure its security, preserve its integrity, protect its confidentiality, and prohibit access to it by any unauthorized person. RecycleMédias must also ensure the respect of all other obligations prescribed by law with respect to the conservation of such information.

9. Dispute resolution

9.1. Procedure

- 9.1.1. In the event of dispute between a prescribed person and RecycleMédias concerning the materials or quantity of materials covered by contributions, or concerning the value of ad placements made by a prescribed person, both parties shall attempt to resolve the dispute through discussions between their respective representatives within thirty (30) days after a written notice of the dispute is issued, or by a common agreement, which will be consigned to writing.

9.1.2. If the dispute persists after the expiry of the period mentioned in section 9.1.1, it shall be definitely settled by arbitration other than the courts, pursuant to the provisions of the *Code of Civil Procedure*, R.S.Q., chapter C-25.01.

9.1.3. Non-payment and failure by a prescribed person to submit a report are not subject to arbitration.

10. Adjustment

10.1. Adjustment clause

10.1.1. Amounts received as interest or penalties under the Schedule are applied to the costs of Recyc-Québec and RecycleMédias for the year after such amounts are received.

10.1.2. In the event that RecycleMédias, for 2018, collects an amount exceeding by 5% the amount necessary to pay a) the amount of the annual compensation set forth in section 4.1, including the applicable interest, administrative costs and penalties, if any, b) the costs of Recyc-Québec and c) the costs of RecycleMédias, RecycleMédias shall grant a credit to the prescribed persons who have paid their cash contributions for 2018. This credit shall correspond to the amount collected beyond the excess of 5% and shall be allocated *pro rata* to the cash contributions paid by the prescribed persons.

10.1.3. Notwithstanding the terms of section 6.1.1, in the event that RecycleMédias, for 2018, does not collect, or deems that it will not likely collect, the amount necessary to pay a) the amount of the annual compensation set forth in section 4.1, including the applicable interest, administrative costs and penalties, if any, b) the costs of Recyc-Québec and c) the costs of RecycleMédias, RecycleMédias may require from the prescribed persons the payment of the necessary amount to make up the shortfall. This amount shall be allocated *pro rata* to the cash contributions payable by each prescribed person. In such case, the prescribed persons shall pay the said amount to RecycleMédias within thirty (30) following the submission of an invoice to them for this purpose by RecycleMédias. Chapter 6 of the Schedule shall be applicable to this amount, with the necessary adjustments.

11. Effective date and duration

11.1. Effective date

11.1.1. The Schedule shall come into force on the fifteenth (15th) day after its publication in the *Gazette officielle du Québec*.
